MORE ABOUT MALGORZATA

Malgorzata resides in Poznań, Poland where she enjoys riding bicycles and practicing yoga. In her free time she loves discovering new countries. She mentions wherever she goes, she follows her taste buds and tries the local cuisine explaining food is the quickest way to get close to a country and it's people.

When deciding to work for Kimball Electronics, Malgorzata was very impressed with the professionalism and work culture after her interview. She spent 2.5 hours there and after that conversation, she knew this was the place for her.
