

ISO14001 Scope

The Environmental Management System (EMS) applies to all Kimball Electronics-Mexico S.A. de C.V. operations, activities and personnel; suppliers over which KEMX has controls such as:

- Personal transportation
- Hazardous waste
- Raw materials suppliers
- Non-Hazardous waste
- Cafeteria service
- General Contractors
- And others over which KEMX has influence such as:
 - Universities
 - Customers
 - Index
 - CAMPIR
 - Community

KEMX is an electronics manufacture service provider for contract assembly and sub-systems.

KEMX establishes, documents, implements, maintains and continually improves its Environmental Management System (EMS) that complies with ISO14001 specifications.

Our EMS compliance obligations governmentally are due to the following agencies:

- Local (Reynosa City, Ecología, COMAPA, Protección Civil Municipal)
- State (SEDUMA, Protección Civil Estatal)
- Federal [Profepa, Semarnat, Comisión Reguladora de Energía (CRE), STPS]

KEMX takes into consideration other influences from company, corporation, customers or other interested parties identified in the reference procedure section

KEMX implements its Environmental Management System to cover the facility located at:

Mike Allen 1145
Reynosa Industrial Park
Reynosa, Tamaulipas. Mexico C.P. 88780
